Construction of Barracks near Radko Dimitrijevo (Spring 1953)

1. While travelling on the Kolarovgrad (formerly Shumen) - Karnobat railway line, [redacted] observed east of the line, and south of Radko Dimitrijevo village (N 43-11, E 27-01), Shumen Okoliya, newly-constructed barracks. These were 3-story buildings approximately 30 x 15 meters in size, arranged in a line, and located about 100-150 meters from the railroad and about 20-30 meters east of the road which runs east of the railway line. Approximately 10 meters from the southernmost building there was a 2-story building of the same type and approximately 12 x 12 meters in size. 25X1
2. The buildings were not yet completed, nor painted, and had no windows. In the area around them, which was well forested with tall trees, [redacted] observed a large number of soldiers with blue epaulettes. 25X1
